Dear Colleague

Find out about new developments. Have your say! Tell us what you think!

We would like to invite representatives of your organisation to one of the above Derbyshire Children and Young People's Trust events aimed at groups and organisations working in the voluntary, community and independent sector working with children, young people and families.

This is a good opportunity to network and meet other organisations involved in similar work to you. **A free buffet lunch will be provided at each event.**

September 08

In order to ensure all children and young people have the best start in life in Derbyshire, its vital that the Derbyshire Children's Trust works closely with the voluntary, community and independent sector and vice versa. This could be through direct support or the provision of resources. It might be through helping groups work more effectively in partnership with each other or there may be some other role you think we should be developing. **Come and let us know!**

Please take a moment to have a look at one of our exciting developments, the VCI web page. This can be found at www.derbyshire.gov.uk/vci Let us know what you think.

We hope that you will be able to send a representative to the above event and look forward to seeing you.

Yours faithfully

Matthew Ford
VCI Co-ordinator
