Are you interested in health and social care in Derbyshire? Would you like to help voluntary and community groups promoting wellbeing in the county to work effectively with the NHS and County Council? Then this one year post is for you. Your role will be to explore the way in which existing liaison in Derbyshire, between the voluntary sector and health and social care related statutory agencies, works and to develop options for improvement.

We are looking for someone who is a self-starter who can use their own initiative. Experience of dealing with a wide range of people, being able to draw from them constructive ideas and report this information in a quantitative and qualitative way will be essential. You must be able to develop your own understanding of specific issues and services, involving some personal research.

You will need good communication and negotiation skills and have the ability to maintain computerised records of your activity and contacts.

Base **To be mutually agreed, but the post will be managed from Chesterfield and require travel throughout Derbyshire**

This post could be available as a secondment. For more information about the post and an application pack please contact North Derbyshire Voluntary Action on 01246 555908, or email ndva@btconnect.com for application pack.

Closing date for applications: 12th September

Interviews will take place: week commencing 22nd September
